"Tiger Invitational"

Elmwood Park HS Results

The Gators had five runners finish in the top 60 and finished with 212 points, good enough to outlast a running field of 18 teams (140 + runners per race division) at the Tiger Invitational hosted by Elmwood Park High School on Thursday, October 6th.

"There were a lot of great squads down there competing today," "It was nice for the ladies and men to come out in the top half as we complete our final regular season race"

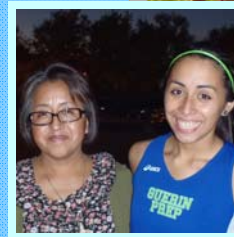

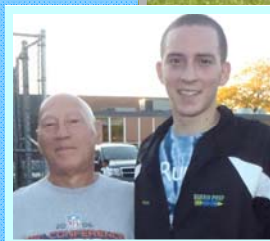

In the Varsity Ladies 3 mile, Captain Joanna Nguyen continued her fine season to lead the Gators and finished in a time of 22:45, good enough for 52nd -place just ahead of teammates Co-Captain Danielka Walczak 23:01 (56th) and Stephanie Deluna 24:10 (58th).

New Comer Juan Matos debuts his first race and ran an amazing 20:17 with a 60th

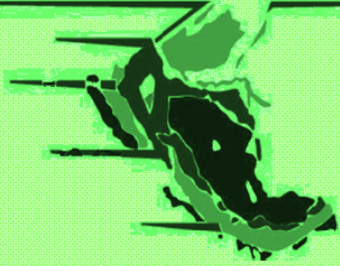

overall place finish in the Varsity Men 3 mile. In the Junior Varsity 2.25 mile Junior Andrea Miranda finished 78th with a time of 19:33 for the Gators, followed by sister and Sophomore Daisy Miranda (97th - 21:41), and sophomore Amy Castillo was pulled out with a ¼ mile with an injury (although had the makings of finishing in top 60 with an estimated time of 17:00).

"CRUSING INTO FALL"
Lisle "Maine Event"

In Coach Danan's gator eye, Guerin brought home eight medals from Saturday's cross at the 25th annual "Maine Event" hosted by HS. With a of nearly 300

country meet Lisle running field runners per

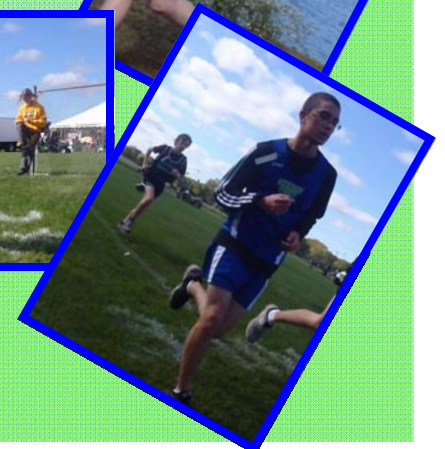

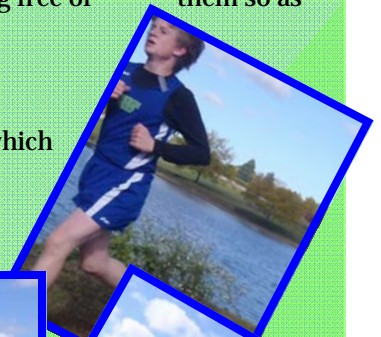

race division, 40 teams in each division and a monstrous hill, the conditions were good for running, even though it was a bit chilly for spectators. Several Guerin Gator runners improved their times. "It was a good race for us to see what we could do with some tougher competition and motivate us toward our goals that we have set for the end of the season".

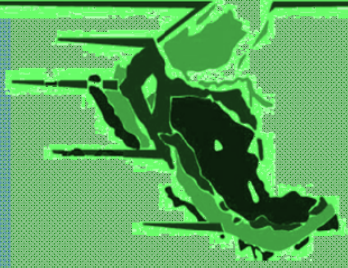

Varsity Girls "Nguyen (25:39 – 119th), Walczak (25:49 – 121st), and (Andrea) Miranda (26:47 – 30th) ran a very smart 5K race, drafting off of some other top runners early in the race and then breaking free of them so as not to return the favor later in the race."

Sophomore Girls "Castillo (21:11 – 74th) and (Daisy) Miranda (24:40 – 89th) had some nagging pains, which slightly affected their 4K performances. Both utilized the field to help maintain consistency throughout course.

Frosh Boys "Schwaba (18:06 – 77th), Pinto (21:42 – 100th), and Loconti (22:57 – 103th) earned coach's praise for a very nice job. The three ran well in the 4K event, building confidence in their racing.
